

CTS Professional Development Leadership Opportunity

TEACHER INFORMATION SHEET

The Central Alberta Regional Consortium (CARC) invites you to submit a proposal to plan and facilitate a Professional Learning Opportunity using one of the following technologically mediated environments:

***Payment is from Central Alberta Regional Consortium (CARC).**

- | | | |
|---------------------------|-----------|-------|
| • Video Podcast | 15 minute | \$ 75 |
| • Webinar | 1-hour | \$300 |
| • Video Conference | 1-hour | \$300 |

The topic may address any CTS cluster and any great idea you are willing to share with your CTS colleagues (e.g., project ideas, teaching strategies, use of tools or equipment, assessment, resources, Program of Studies, pedagogy, personal protective equipment...).

NOTE: If you choose to participate, technical support and training will be provided.

Teacher Responsibilities:

- Submit a nomination reply form to be considered as a CTS webinar creator.
- Consult with a Resource Centre or Consortium representative to design and outline your final plan
- Participate in the provided technical training sessions as needed
- Commit to moderate/host your session after school at a mutually agreed upon date between September 2010 and January 2011
- Conversant with the learner outcome of the new CTS Program of Studies
- Comfortable with the use of technology.
