

100 Metre Diet— Greenhouse Growing at School

with Jeff Lerouge

Date: **Thursday, November 17, 2011**

Time: **4:30 - 5:30 pm (Mountain Standard Time)**

****Please log on at 4:00 pm to do your mic and speaker test!!****

About the session:

Join me as I discuss Notre Dame's journey to grow food at the school. We started with Earthboxes in classrooms and eventually broke ground to build a greenhouse at the school. We will discuss courses that can be supported by a greenhouse as well as the success and setbacks we've encountered.

About the facilitator:

Jeff Lerouge is a former food safety expert and current food studies teacher at Notre Dame High School in Red Deer. Jeff is also a culinary arts instructor at Red Deer College with continuing education and is active in the Skills Canada Alberta movement.

Sessions may be changed or cancelled. Please check our website for current information. REGISTER ONLINE AT <http://www.carcpd.ab.ca>

If you are a first time user and would like a complete orientation, please visit the archived Elluminate Participant Orientation sessions at <http://elluminate.com/support/docs/9.0/participant.jsp>. This will ensure that your computer is properly configured and that you have successfully tested your headset and microphone prior to the session.

If you are a past user please visit the support portal (<http://www.elluminate.com/support/>) 30 minutes prior to the webinar to launch the technical configuration check (automatically starts in the background) to ensure your viewing computer is correctly configured.
