Due Diligence in Construction Labs *with Fred Smith*

Tuesday, May 26, 2009
4:30 pm to 5:30 pm
Please log on at 4:00 pm to do your mic & speaker test!
No Charge

ABOUT THE SESSION:

The policies, practices and procedures that teachers and administrators need to implement to protect students and themselves
Or
"Safety in the Shop"

ABOUT THE FACILITATOR:

Fred has taught Alberta CTS courses in the Trades, Manufacturing and Transportation Cluster for over 30 years. He has served on numerous safety committees, attended workshops on Occupational Health and Safety and helped with the revision of the Calgary Board's CTS policy document. Fred was fortunate to have retired from teaching without ever having a student with a serious injury. Since retiring he mentors new CTS teachers and recently completed a series of CTS Awareness Sessions for Alberta Education.
