Let's Make Our First Program in Java Using the Eclipse IDE (Integrated Development Environment) *with Gerry Donaldson*

Wednesday, March 11, 2009
4:30 pm to 5:30 pm
Please log on at 4:15 pm to do your mic and speaker
test!
No Charge

ABOUT THE SESSION:

Get students up and running in their first Java programs using the Eclipse IDE [Integrated Development Environment]. Before beginning the webinar, participants should have functional installations of both Java and Eclipse running on their computers. Download and install the latest version of Java JDK from the <http://java.sun.com/javase/downloads/index.jsp>. Download and install the latest version of Eclipse Classic from <http://www.eclipse.org/downloads/>.

ABOUT THE FACILITATOR:

Gerry has taught high school Computer Programming for 30 years, including IB and AP Computer Science for the past 15 years. He has used his teaching web site with his students for the past 13 years.

★ Sessions may be changed or cancelled★
