ABOUT THE SESSION:

This is a webinar that will have all participants share project ideas from their own program. Participants that register early will be given plenty of tech support to get their own photographs ready to use during the session.

ABOUT THE FACILITATOR:

Angie O'Brien B.Ed. Journeyman Welding, Ernest Manning High School. Angie has taught a variety of programs for Calgary Board of Education over the last 25 years.

Allen has a B.Ed with an Industrial Arts Major University of Saskatchewan '87. He has been teaching Industrial Arts in multiple activity shops for the past 22 years. He has experience with most aspects of CTS from Photography and graphic Arts to Woodworking, Mechanics and Welding. He is always looking for new and motivational projects and techniques to pass on to his students.
