Please log on at 4:00 pm to do your mic & speaker test!

\$20

ABOUT THE SESSION:

"Moodle is a Course Management System (CMS), also known as a Learning Management System (LMS) or a Virtual Learning Environment (VLE). It is a Free web application that educators can use to create effective online learning sites." You will be introduced to moodle shown how we use it at our school and perhaps develop future modules to show teachers how to implement it in their classroom.

ABOUT THE FACILITATOR:

Jody Watson has taught at Bawlf School for the past 11 years. He is very interested in using technology to engage students more in the learning. Is currently involved with a one to one laptop project in their high school where every grade 11 and 12 student gets a laptop.
