**4:30 pm to 5:30 pm**

**Please log on at 4:00 pm to do your mic & speaker test!**

**\$20**

### ABOUT THE SESSION:

What's all the hype about Pathways? Pathways made Easy, will focus on what pathways are, the various types and how students and teachers can put courses together to help students achieve career goals. We will look at examples and situations and what will work for you.

### ABOUT THE FACILITATOR:

Peter Gallagher has an Industrial Arts degree from the University of Manitoba and has taught Communication Technology and Construction in Alberta for 18 years to both Junior and Senior High as well as adult students. Peter is a Curriculum Manager in the Career and Technology Studies Unit in the Mathematics & Science Branch of Alberta Education for a year and half and has primarily focused on the revision of BIT and MDC and the ongoing development of the junior high CTS program.
