ABOUT THE SESSION:

The implementation of the revised CTS program of studies has introduced many changes. Topics of this presentation include the philosophy and structure of CTS, terminology, CTS pathways, CTS program design, resources and supports, what's new and what's different.

ABOUT THE FACILITATOR:

Monika Gysler is a teacher who has worked as a Curriculum Manager with Alberta Education for the past two years, Project Lead for the Health Services Strategy and a member of the CTS Team. She has supported the Health pilots in the design and implementation of health pathways and provided CTS implementation support to teachers and school jurisdictions across the province. As part of her teaching responsibilities with the Calgary Catholic School Board, Monika acted as the Coordinating Teacher for CTS and Fine Arts at two high schools and taught Foods, Fashions and Art in both junior and senior high schools.
