Lunch: **Lunch is Included**

This session is made possible through a grant from Alberta Education

Who should attend?

Teachers of Grades 4 -9.

About the session:

Are your students struggling to read French in Math? In Science? In Social Studies? How can you explain this problem? After all, you do teach them French in FLA. How can they transfer their French knowledge in other subject areas? This session will spend ½ day giving you examples of strategies that you could use as a FL teacher to help your students make this transfer and to be able to better succeed in other areas. Another ½ day will be spent to allow you to plan ways at your own grade level in which to improve your students performance in ALL areas.

About the facilitator:

Lise May Lise May has been involved in teaching FSL as a teacher, a consultant and a school administrator for many years. She has developed a L2 methodology course which she offers to student teachers in the French program at the University of Calgary, Faculty of Education. She has a lot of experience in using different and efficient strategies for learning and teaching FSL. She presently works as a coordinator/consultant for all French programs for the south of Alberta.
