Working Together: Making a Difference

Promoting student achievement and school improvement through professional development.

Motor Skill Development in Pre-School and Kindergarten Children *with a START Therapist*

Date: **Tuesday, September 27, 2011**

Venue: **River Glen School, CARC Suite**

Time: **9:00 am - 3:30 pm**

Address: **4210 59 St., Red Deer**

Cost: **\$75**

Lunch: **Lunch is Included**

This session is made possible through a grant from Alberta Education

Who should attend? Educational assistants and Teachers

About the session:

Participants attending the workshop will:

1. Gain a better understanding of what Occupational and Physical Therapists do and how therapists can partner with a student's educational team
2. Learn about the foundation skills for movement and how skills are inter-related
3. Gain a better understanding of why a student may be struggling
4. Learn how specific fine and gross motor skills develop, including:
 - What to expect at what ages
 - Fun and functional activities that promote specific skills
 - The chance to try out activities at interactive stations
 - Strategies for adapting / modifying activities
