*****This session is made possible through a grant from Alberta Education*****

This session will not run with fewer than 8 participants

Who should attend?

Anyone interested in learning more about Signing Exact English

About the session:

Successful completion of Level 1 a prerequisite

Level 2

Participants will learn the history of Signing Exact English, and acquire a basic understanding of the Sign Continuum, Use of space for clarity in sign communication, as well as all SEE affixes will be practiced. Participants will increase vocabulary and develop strategies for curriculum vocabulary not found in the sign dictionary. Increased fluency in production will be attained through stories and paragraphs. Participants will have homework assignments, receptive quizzes, and a final exam with a written and expressive component.

Participants must have a S.E.E. dictionary. Dictionaries will be made available for purchase at the first class.

About the facilitator:

Kari Gehlert is the co-founder of S.E.E. Support. She started using sign with her young daughter almost twenty years ago and has been using Signing Exact English for over 15 years. Training and recognition of skills was acquired from the S.E.E. Center in Southern California. She has worked as a transliterator signing for students from preschool to grade 12 and in varying field positions. She has been instructing S.E.E. courses for more than 10 years.
