ABOUT THE SESSION:

This webinar will assist the participants in understanding the characteristics of students with AD/HD for the purpose of more effective relationships and learning. An emphasis will be of discussing practical skills and useful strategies for teaching, integrating and interacting with children who display difficulties in the areas of inattention, impulsivity and hyperactivity.

ABOUT THE FACILITATORS:

Dwaine Souveny is a psychologist and educational consultant with Wolf Creek School Division. He has worked successfully with children displaying a variety of special needs including children with FASD and has also been the clinical supervisor for the regional FASD Project. On a personal basis, Dwaine and his family were the host family for a young girl with FASD for a number of years. Dwaine has written or contributed to numerous resource materials including Alberta Education publications, *Teaching Children with FASD*, *ABC's for Success: Attention Deficit Disorders*, *FASD: A Pamphlet series* and *Let's Talk FASD*. Dwaine has provided workshops across Canada, Australia and in Hawaii, which have been evaluated as being dynamic, humorous, thought provoking and filled with practical information.
