## Working Together: Making a Difference

Promoting student achievement and school improvement through professional development.

## Knowledge & Employability Math: Engaging Students with Hands On Learning Activities

*with Chris McCullough*

Date: **Thursday, October 27, 2011**

Venue: **River Glen School, CARC Suite**

Time: **9:00 am - 3:30 pm**

Address: **4210 59 St., Red Deer**

Cost: **\$30**

Lunch: **Lunch is Included**

*\*\*This session is made possible through a grant from Alberta Education\*\**

*Who should attend?*

*About the session:*

Teachers in this session will discuss and experience the many hands on learning activities that Chris has successfully used in his K & E classroom at Notre Dame High School in Red Deer. Math class should be a fun and interesting place for students, engaging students with practical activities and learning is one way to make your math class come alive. The session will provide teachers with a practical connection of the program of studies, to their planned units, and their own classroom environment.

Teachers will leave this session with practical math games, activities, and instructional ideas that they can implement in their classroom immediately.

Teachers should be prepared to discuss and share their ideas as they embark on a facilitated discussion of teaching Math to Knowledge & Employability Students.

*About the facilitator:*

**Chris McCullough** has been teaching in Red Deer Catholic for the past ten years, spending time at St. Elizabeth Seton, St. Thomas, St. Patrick's and currently Notre Dame. He is a graduate of the University of Lethbridge, and the University of Alberta. PPP In 2008, Chris obtained his Masters in Educational Leadership from the City University of Seattle. Chris is a lifelong learner, and believes in the power of collaborative learning. A long time advocate of Professional Development, Chris currently works with the ATA as a PD Instructor, and enjoys organizing and running events to benefit teachers and his community. Chris is married to his wife Kristie, and they have three children, Megan, Morgan, and Mya.
