

Knowledge & Employability Series: Academic Courses Overview

with Deb MacFadyen

Date: **Monday, October 24, 2011**

Time: **4:30 - 5:30 pm (Mountain Standard Time)**

****Please log on at 4:00 pm to do your mic and speaker test!!****

About the session:

What would you/should you start/stop/continue to ensure that you are successfully implementing the Knowledge and Employability academic courses? Join colleagues for an overview of the programs, review the resources, investigate the Studio and share resources - what do you have to share?

About the facilitator:

Debbie MacFadyen is a CTS Specialist within CBE with over 25 years experience as a teacher, administrator, secondee to Alberta Education as a Knowledge and Employability Resource Manager and Career and Technology Studies Resource Manager, published author, and PD facilitator. Debbie's academic credentials include a BSc., BEd. and MEd. Having acquired a master's degree in Teaching, Learning and Supervision has prepared Deb for the responsibility of the acquisition and/or development of CTS and KE curriculum and resource materials, the KE online guide, the Studio and a number of safety resources. She has taught both academic and occupations and has been involved as a writer of the former IOP curriculum and resources. Deb has worked with the IOP/ KE learners and has mentored teachers in effective pedagogical practice.

Sessions may be changed or cancelled. Please check our website for current information. REGISTER ONLINE AT <http://www.carcpd.ab.ca>

If you are a first time user and would like a complete orientation, please visit the archived Elluminate Participant Orientation sessions at <http://illuminate.com/support/docs/9.0/participant.jsp>. This will ensure that your computer is properly configured and that you have successfully tested your headset and microphone prior to the session.

If you are a past user please visit the support portal (<http://www.illuminate.com/support/>) 30 minutes prior to the webinar to launch the technical configuration check (automatically starts in the background) to ensure your viewing computer is correctly configured.
