### *Who should attend?*

Math Teachers Gr. 11

### *About the session:*

Teaching Math 11-3? Don't know where to start? Are you looking for hands-on resources and manipulatives? This cohort will allow you to explore the pedagogy of the new curriculum, provide you with material and resources to use in your classroom and set aside time for resource creation.

### *About the facilitator:*

**Sandi Berg** Sandi Berg is a Mathematics and Technology educator who has taught every level from K-12. She is constantly increasing her repertoire of hands-on activities that make connections with the real world and sharing those resources with other teachers. She holds a Master of Educational Technology and is always looking for ways to effectively integrate technology in her classroom in order to increase student understanding.
