Working Together: Making a Difference

Promoting student achievement and school improvement through professional development.

Moving from Cookbook to Open-Ended Lab Investigations in Physics 20 and 30

With Laura Pankratz

Date: **Friday, November 18, 2011**

Venue: **River Glen School, CARC Suite**

Time: **9:00 am to 3:30 pm**

Address: **4210 59 St., Red Deer**

Cost: **\$20**

Lunch: **Lunch is Included**

This session is made possible through a grant from Alberta Education

Who should attend?

Teachers of Gr. 10 – 12

About the session:

This session will help participants plan a full course of investigations in which students will be able to engage in the full cognitive expectations of the Physics 20-30, 2007 Program of Studies. In the half-day session only the theory will be explored, in a full day session, participants will be expected to complete at least one of the investigations.

About the facilitator:

Laura Pankratz Alberta Education Physics Team Lead will present the session.
