WHO SHOULD ATTEND:

Grades 4-9 teachers

ABOUT THE SESSION:

Find out what a Science Gizmo is and how this amazing online tool can be used in your Grade 4-9 Classroom. These resources are accessed through LearnAlberta and provide students with engaging activities which will also allow for critical thinking challenges! These Gizmo's contain student activities, keys, assessment tools and Teacher guides!

ABOUT THE FACILITATOR:

Patrick is a Gizmo Trainer and SMART Certified Trainer with 23 years of classroom experience. As a Math/Science teacher, technology has always be a focus. Currently Patrick is an Education Technology Consultant for the Central Alberta Regional Consortium (CARC) and DL Team member for the Alberta Regional Professional Development Consortia (ARPDC). With the Consortia Patrick's focus is training teachers to use technology in their classroom. Patrick is completing his Master's Degree in Education Technology from the University of Southern Queensland, Australia.
