ABOUT THE SESSION:

Participants in this webinar will delve deeper into addressing critical thinking skills when creating Notebook lessons. Members will be asked to bring examples of lessons they are creating that address critical thinking.

ABOUT THE FACILITATOR:

Candace Beaton is a former educator with the Calgary Board of Education and a former Certified Education Consultant for SMART Technologies Inc. In 2010, Candace launched Teaching Smart, a professional development company whose main goal is to provide relevant, curriculum-based workshops to educators using SMART products in their classrooms.
