Integrating Web 2.0 Tools in Your Classes to Engage Your Students with Higher Levels of Critical Thinking *with Jody Watson*

Monday, May 31, 2010
4:30 pm to 5:30 pm
\$20

ABOUT THE SESSION:

We will be looking at Web 2.0 tools like voicethread, etherpad, storybird, goanimate, prezi, xtranormal, glogster.

Time will be spent introducing tools that will help teachers engage students and give them ideas for projects that they can use in their class.

ABOUT THE FACILITATOR:

Jody Watson has taught at Bawlf School for the past 11 years. He is very interested in using technology to engage students more in the learning. Is currently involved with a one to one laptop project in their high school where every grade 11 and 12 student gets a laptop.
