Time: 4:30 pm -7:30 pm	Address: 6739 C&E Trail, Lacombe
Cost: \$100 for the Series	Lunch: Supper is Included
Additional Series Dates: September 19, October 17, November 21 & December 5	

This session is made possible through a grant from Alberta Education

Who should attend?

K-12

About the session:

Many classrooms in schools today are beginning to use various web 2.0 tools that leverage the power of social media and interactive online tools. Some of these tools can be used to enhance instruction, while others are appropriate for student use in assignment creation. Utilizing web 2.0 tools provides strong engagement for students in all subject areas and grade levels. Come find out more about how you can use web 2.0 tools in your classroom or school. During each of these sessions various Web 2.0 tools will be introduced followed by time for session participants to explore the tools in more detail. Participants will leave the session with an understanding of how to use these tools in an educational, engaging, and purposeful manner to further create powerful learning opportunities with their students. Come learn about different tools each month!

About the facilitator:

Marica McWhinnie Over the past 8 years as a teacher of students in Division 1, 2 and 3, an AISI leader and school based technology leader Marica has developed a strong background in powerful instruction methods blended with technology integration. Marica has been involved in numerous training opportunities with educational technologies and is actively teaching students and leading her colleagues in 21st century learning. Marica currently works at Terrace Ridge School. Her work is centered on purposeful and meaningful ways to integrate digital tools to support instruction in powerful ways that engage students on a daily basis.
