Who should attend?

K-12 Teachers new to SMART Boards and Notebook

About the session:

Just got a SMART Board? This session will explore all the essentials you'll need to get rolling with your SMART Board. This session will explore some online interactive resources you can use on your SMART Board and will delve into how you can integrate SMART Notebook software into your classroom. You'll learn about the SMART Notebook Toolbar, the Gallery and Lesson Activity Toolkit and how you can create interactive learning resources for your SMART Board.

About the facilitator:

Karla Holt Karla trained as a teacher and taught here in Alberta from 1997-2000, then moved to Liverpool, England where she worked as a Primary School Teacher (teaching children aged 5 - 11 years old). She worked at a Technology Specialist School using innovative technology in the classroom until 2007 and then managed a Study Centre at Everton Football Club, which was also a Technology Centre of Excellence, where school groups attended once a week for a 10 week period to work on technology based projects. These projects directly covered National Curriculum Objectives, but in a fun and innovative way. She worked with pupils aged 7 -14 years old at the Study Centre.
